You deserve more from your motorcycle insurance.

When your bike is more than a mode of transportation, you deserve protection that goes the extra mile. Allstate® Motorcycle Insurance gives you the coverage you need, so you can concentrate on what matters — that next great ride.

Protection rebuilt for riders like you.

Because every bike is unique, your Allstate Agent can help you get the customized coverage you need and the discounts you deserve.

Cargo Coverage

In addition to protecting you and your bike, Allstate provides up to \$1,500 to cover your cargo if it's damaged or destroyed in an accident*. Unlike some other carriers, this coverage comes standard with your policy.

Optional Equipment Coverage

The bike you ride is a lot different than the bike you bought. Allstate Motorcycle Insurance offers up to \$30,000 to cover any after-market upgrades.

Transportation Expense**

When your bike is in the shop, other providers might only offer a car as a replacement ride. With Allstate, you won't have to miss your next big ride. We'll cover the cost of renting a bike so you can stay on the road. If you prefer, you'll still have the option to rent a car or even get reimbursed for public transportation or ridesharing.

Towing and Labor Coverage

Allstate covers the costs of towing and labor for all motorcycle types with \$50 included in your policy and the option to increase limits in towing coverage. This is a separate coverage from your collision and comprehensive policies.

Non-Owned Vehicles Coverage

You took a turn on your friend's ride and wrecked it. Thankfully, your Allstate Motorcycle Insurance covers physical damage to motorcycles you don't own or regularly use. If you decide to rent a bike for a day, your comprehensive and collision coverage will keep you covered.

Organization Discount

Are you a member of a local riding club? Talk with an agent today to see if your organization qualifies you for a discount.
